KENDRIYA VIDYALAYA AFS AKKULAM

ADMISSION TO CLASS XI (2020-21)

GENERAL INSTRUCTIONS & SCHEDULE

1. Allotment list is published based on KVS admission Guidelines , giving due additional weightages for NCC/Scouts & Guides/ Sports etc and category weightage for SC/ ST/ OBC etc to all eligible students, as per school records.

2. As there is only one section for Science stream and one section for Commerce stream, only a maximum of 55 students will be admitted in each section.

3. Allotment to various streams and options is done as per availability of seats, option submitted and eligibility of students. Those students who couldn't find place in science stream have been accommodated in Commerce stream as per seat availability.

4. Waiting list is published in both Science stream (Biology combination and Computer Science combination) and Commerce stream, as per option submitted by students.

5. Admission from waiting list will be done only based on the vacancy that may arise in a particular combination. (Eg: If a Biology combination vacancy is created, candidate from biology waiting list will only be admitted. Similarly if a Computer science vacancy is created, only candidate from Computer science waiting list will be admitted). Students are included in the waiting list of all their higher options, if allotment is given in a lower option/any other option (hence a student may find place in one or more waiting list to provide maximum chance for admission)

6. **For taking admission, Students or parents need not come to the Vidyalaya. Instead they need to submit an acceptance form for admission, duly filled, signed and send to the email admissionkvakkulam@gmail.com on or before 27.07.2020, 2 pm (late submitted forms will not be accepted and the seat will be treated as vacant to operate from the waiting list from 28.07.2020 onwards.**

7. For students from other schools, vacancies will be notified on 30.07.2020, if vacancy exist.

8. For any queries, please contact 0471-2441266 (Office hours) and 7907051526 or may post your queries in the last year's Class X whatsapp group.
